

Bug Remover

76-19

Technical Data Sheet

Description:

BUG-REMOVER is an all purpose cleaner specially designed to easily clean traces of insects on auto, motorcycle, RV, ATV, etc.. It effectively penetrates and removes dirt on any surface. Designed from a proven technology formula, its strong cleaning agents quickly dissolve dirt, grease, fresh paint or other dirt resistant to ordinary cleaners. Leaves a clean surface with no unwanted residue or deposit without attacking the surface.

Use direction:

1. DO NOT use on hot surface or in sunny weather.
2. Spray and let the product work for 1 minute and rub.
3. Rinse profusely with water. Also rinse the surrounding area.
4. Compatibility test is always recommended.

Storage recommendations:

Protect from freezing: store at room temperature between 5°C and 40°C.

Protect from sun light: it won't damage the product but the color may change.

Properties and advantages:

- No harmful vapour
- Biodegradable
- Non flammable
- Phosphate free
- Non abrasive
- Industrial strength
- Water based
