

# MACROCREAM

## Technical Data Sheet

### DESCRIPTION:

Macrocream Nettuno is a highly effective abrasive hand cleaner with a hazelnut color and fruity fragrance. Its innovative formula contains microbeads of plant origin, which provide a more powerful and faster cleaning action. This cream is also enriched with emollient ingredients that nourish the skin and prevent dryness. The epidermal pH of Macrocream ensures frequent use without skin irritation, making it an ideal product for regular use in work environments where hands are often exposed to dirt and impurities. For optimal use, simply apply an appropriate amount of cream to dry hands, rub until the dirt is completely emulsified, and then rinse with running water.

Macrocream's composition is **100% natural** and contains no solvents or aggressive substances for the skin. The cleansing base is a combination of ingredients effective against all types of dirt while being gentle on the skin. The plant microspheres in Macrocream's formula reinforce the cream's cleaning action, allowing exceptional results. Finally, Macrocream Nettuno abrasive hand cleaner with glycerin offers an economical solution for businesses, as a single 3000 ml container can perform up to 1000 washes. The presence of glycerin in the formula nourishes and hydrates the skin, leaving it soft and supple.
